

CHROMATOGRAPHY ACTIVITIES: INSTRUCTIONS

1. Complete the following CHROMATOGRAPHY activities in this order:

COLOR CHROMATOGRAPHY CHALLENGE. Obtain the chromatography Challenge from your instructor.

After completing the Challenge you will be asked to identify a chromatograph from a predetermined color.

2. Show the completed Chromatography Challenge to the Judge (Mr. Gonyo or Mr. Hansen) for approval.
3. Go to "Labs" and begin the Chromatography Analysis Lab. Here you will be analyzing actual inks obtained via search warrant and comparing them with ink found at the crime scene.
