

# Intro to Geology

presentation

Name \_\_\_\_\_

Hour \_\_\_\_\_

What is *Geology*?

How did the Earth form?

What is inside the Earth (science fiction)?

What is really inside the Earth (science fact)?

What are some ways the Earth has changed?

How does the land get its shape?

What are Igneous, Sedimentary, and Metamorphic rock?

What happened to me (dinosaurs)?

What causes an Earthquake?

What causes a Volcano?
