

Human Biology Module III Checklist

start here

Module III Formative PRE-Assessment - [Microanatomy of Muscles](#) / [Muscles of the Body](#)
This assessment will check your prior knowledge. It will not be graded but should give you an idea of which parts of Module III you should spend the most time on.

Module III Checklist

[A.D.A.M Video Library](#) (Select by topic)

Muscular System [Exercise](#) / [Skeletal Muscle](#) / [Muscle Types](#)

Muscular System Anatomy

Basic [Muscles](#)

[Muscular System Tour Activity](#)

Get a microscope and look at slides of MUSCLE tissue (smooth, cardiac, and skeletal) under low, medium, and high powers. Draw a picture if you like.

Note: this activity will not work well on a netbook (it requires a bigger screen)

Basic Interactive Body - [Muscles Game](#)

[3D Interactive Anatomy](#) - a resource for Human Anatomy
Requires [Unity Web Player](#) to run

Basic [Muscles and Joints](#)

Basic [Muscle Fatigue Labs](#)

Basic [Dead Meat Lab](#)
Making a Temporary Muscle Slide

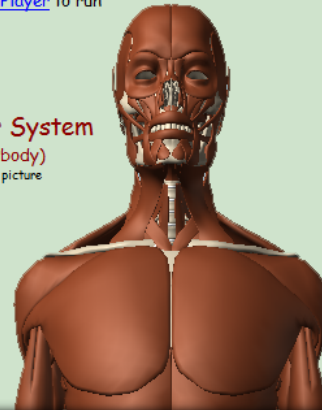

You'll need a microscope for this one.
