My Egg ... \_\_\_\_\_LIVED \_\_\_\_\_ DIED

# The Great Egg Drop - Summary

1. DESCRIBE YOUR PACKAGE:  
(what materials were used, how was it put together, anything unusual or special)

2. Draw a diagram of your package and label the important parts (remember the egg).

Note: if you save this form to your files and then open it up, you can draw in the box, paste a picture, and/or write text ... ask your teacher how.

**My Egg Drop Package**

2. TRIAL AND ERROR:

Describe the **process** you used to make and test your package. How and where did you test it? What were the results? How did you change your package? Just tell the story of what you did at home to make and test your egg drop package.

In your class ... How many SURVIVED \_\_\_\_\_ DID NOT SURVIVE \_\_\_\_\_
