

Thought Experiment

"The Laboratory is in your Head"

Fast Food

Sally, George, and Frank were picking up their fast-food orders — a hot dog, a bag of popcorn, and a soda. "Who ordered what?" asked the man at the counter. George said, "I didn't order the hot dog." The boy who ordered the popcorn said, "Oh, I thought you did."

Who got each order? Explain your logic.

(you have all the information you need to figure it out)
