

# How to be Successful in Science...

- Listen in class
- Use work time to work
- Hand in your work (on time whenever possible)
- Do your best (try it...it's a good feeling)
- Check StandardsScore (Webgrader) often
- Go to [www.myscience8.com](http://www.myscience8.com) for all your science needs

## What your report card grade means...

4 (A)	<ul style="list-style-type: none"> <li>➤ All of the work you turned in was complete or nearly complete, neat, accurate, on time and showed that you gave your best effort.</li> <li>➤ You turned in all of your work.</li> <li>➤ Tests and quizzes (assessments) demonstrate a complete understanding of the key concepts.</li> </ul>
3 (B)	<ul style="list-style-type: none"> <li>➤ Most of the work you turned in was complete or nearly complete, neat, accurate, on time and showed good effort.</li> <li>➤ You turned in all or most of your work.</li> <li>➤ Tests and quizzes (assessments) demonstrate an understanding of most of the key concepts.</li> </ul>
2 (C)	<ul style="list-style-type: none"> <li>➤ Much of the work you turned in was <u>not</u> complete, neat, accurate, and /or on time and showed a minimal effort.</li> <li>➤ You did not turn in most of your work (several missing assignments).</li> <li>➤ Tests and quizzes (assessments) demonstrate a basic understanding the key concepts.</li> </ul>
1 (D)	<ul style="list-style-type: none"> <li>➤ Most of the work you turned in was incomplete, inaccurate, late and /or showed a lack of effort.</li> <li>➤ You did not turn in most of your work (several missing assignments).</li> <li>➤ Tests and quizzes (assessments) demonstrate a minimal understanding the key concepts.</li> </ul>
0 (F)	<ul style="list-style-type: none"> <li>➤ Very little (if any) work was turned in.</li> <li>➤ Very little effort was shown.</li> <li>➤ Very low test and quiz (assessment) scores demonstrate little or no understanding of the key concepts.</li> </ul>
